Clean out your closet and raise money for a worthwhile local charity!

Hi, I'm Mitchum Owen, president of the Rotaract Club of IUPUI. Join us April 25th through the 27th for the Circle City Yard Sale, a city-wide fundraising event benefitting Teachers' Treasures and the Rotaract Club of IUPUI.

It's easy! Just register your sale and items on our online searchable directory for \$15. Any individual or group can participate, and you keep 100% of the proceeds from your sale.

Circle City Yard Sale is a fundraiser for Teachers' Treasures, an Indianapolis non-profit providing free school supplies to more than 200 Central Indiana schools. In 2007, Teachers' Treasures gave away more than \$3 million dollars worth of school supplies benefitting 90,000 deserving students in and around Indianapolis.

In addition to individual sales throughout the city, visit our official sales locations on April 26th, on the IUPUI Campus and at Teachers' Treasures on East 10th Street.
